## Welcome Back

A very warm welcome to the 2009-2010 school year. It was a pleasure greeting our children this past Tuesday, and we look forward to a productive and rewarding school year. Much thanks to our parents for their wonderful cooperation in seeing to it that children are punctual in the morning, which ensures maximum instructional time, and that the children are ready for school with proper uniform and classroom supplies. Parental support of school policies and expectation helps children succeed.

We extend a warm welcome to the new family and faculty members at SCHA:

## Parent Power

There are many ways you can support your child's learning and school. Here are a few ideas:

- \* Spend a few minutes every evening looking over handouts your youngster brings home. Fill out forms to return the next day.
- \* Tell your child's teachers if you can help them out at school or home.
- \* Make sure teachers know you appreciate their efforts. From time to time, send a thank-you note or an email.
- \* Contact your child's teacher immediately if you see a problem. Working together will help your youngster succeed.
- \* Attend conferences, parent meetings, and school events regularly.
